

This image shows a vertical, narrow strip of material, likely a book binding or a piece of aged paper. The surface is extremely dark and heavily textured, with a mottled appearance of black, grey, and white speckles. There are visible vertical lines and creases running down the length of the strip, suggesting wear or the way it was stored. The right edge of the strip is slightly irregular and shows some lighter material underneath. The background to the right of the strip is a solid, bright white, creating a sharp contrast with the dark, textured object.
